

## **Community Input Regarding the Use of Federal Dollars**

The Martins Ferry City School District is seeking community input regarding the use of federal dollars for Titles I, IIA, and IDEA-B.

Title I funds are used to provide reading/math intervention for elementary students and professional development for staff.

Designated Title IIA funds reduce class-size and provide professional development activities to improve teacher quality.

IDEA-B funds are utilized for special education and related services for children with disabilities by supporting unique needs as identified through an Individualized Education Plan (IEP). Monies may be used to provide supplementary aides/services in a regular classroom or other educational setting as well as support professional development activities.

Any suggestions for or questions regarding these programs are welcomed and may be directed to Sue Ferrelli, federal programs coordinator, at 633-1732 ext. #4007. Suggestions may also be mailed to the attention of Sue Ferrelli, Federal Programs, 5001 Ayers Limestone Road, Martins Ferry, OH 43935.
