I am responsible
for the education of my child.

I will encourage
all children to do their best every day at school.

I will speak
to my child about the value of learning and the
importance of reaching your potential.

I will help
with school work and review assignments for completion.

I will praise
my child when he/she does well in school.

Fathers, grandfathers, foster fathers, step-fathers, uncles, cousins, big brothers, significant male caregivers and friends of the family are all encouraged to participate in The Fathers Walk.

I will speak

with my child's teachers and support them in educating my child.

I will teach

my child the value of education and the value of family.

I will work

with my child's mother or guardian to achieve the best academic
and social outcomes for my child even if I do not live with my child.
