

2024-2025 ANNUAL CAFETERIA REPORT

Martins Ferry City Schools provides nutritional meals to all students of the district. Each menu is prepared by using the nutritional values of each food and beverage. All items sold throughout the district meet strict guidelines pertaining to each age group of students in our schools. We have been certified and meet all requirements to receive additional money per meal served through our monthly claims.

Our lunch program will have a positive balance ending this year. Because of this we will be able to keep our lunch prices the same for the 2025-2026 school year. Elementary meals \$3.25, Middle School/High School meals \$3.50, Reduced meals campus wide will be .40 cents and Adult meals will be \$5.00.

Lunch applications will be mailed to all households in the district again this summer. It is extremely important that they are filled out and returned for both the student's and the district's benefit. Unfortunately, it is very difficult to receive back a lunch application from all households. The State Department has a new program which allowed us to complete a direct certification including Medicaid Free and Medicaid Reduced families. Through this process we are able to include several more students and certify them as free or reduced price meals. This is very helpful especially if a family does not return a free/reduced lunch application.

We purchased two new upright display coolers in the high school/middle school kitchen and will be purchasing a new pass through refrigerator over the summer.

All cafeteria staff has been trained through professional development hours throughout the school year. The training includes, food safety, hazardous materials, proper food handling, K-12 menu requirements, storage, and etc. They are required to have 6 hours yearly and have met all requirements.

The cafeteria staff is looking forward to a great 2025-2026 year starting in August. We anticipate several new items to offer the students and will create a pleasant environment for them to enjoy their meals!

Attached are cafeteria financials and menus from the 2024-2025 school year.

Martins Ferry City Schools
Monthly Cafeteria Report
May, 2025

	FY25	FY24			
	CURRENT	LAST YEAR	CURRENT	LAST	FYTD
	MONTH	MONTH	YEAR	YEAR	DIFFERENCE
