Dear Parents/Guardians,

I hope everyone is enjoying their summer. I realize that the start of school is still a couple weeks away, but plans are already being made at Edison Elementary for the 2026-2027 school year. We are very excited about the new school year and the opportunity to welcome you and your child(ren) to Edison Elementary School. To help you plan for your child's upcoming year, an orientation has been scheduled for **Monday, August 17**. Students are encouraged to bring their supplies to the orientation and take them to their homerooms.

During your orientation time please make sure that you visit each of your children's classrooms if you have more than one child in the building. If you have a preschool student, kindergarten student, or are a new to the building 1st-3rd grade student please make sure you attend your scheduled meeting in the gym at the time listed below.

During the orientation, the transportation department will be available to answer any questions you may have regarding bussing for the 2026-27 school year. Our food service department will also be available to collect money if you would like to put a balance on your child's account. If your child is in grades K-3 please stop and see these supervisors after your grade level meetings.

In the past, many parents have chosen to pay the student supply fees at this meeting. The cost of supply fees this year is \$30.00 per student. Preschool students are not required to pay the school fee. This will be one less concern on the first day of school.
