

PUBLICITY AGREEMENT - - further information

During the course of the school year there are always many occasions when the North Olmsted City School District would like to honor and publicize student achievement. In an effort to simplify the process of obtaining your permission for your child's name and photo/video to be publicized in local printed media , social media and/or the district website, we request that you fill in the form below.

Permission slips will be kept on file in your child's respective building. We will not include your child in publicity photos/videos taken to recognize outstanding student achievement in a special event and/or contest, if permission is NOT given. Some examples of school website/press releases that would have included student's names/photos/videos may be: school community service projects, school-wide activities, individual special classroom events, and other miscellaneous school functions.

If you have any questions, please feel free to contact your child's building principal:
