Describe the use of funds.

1. Describe how funds will be used and which allowed use applies to each planned use. The Disadvantaged Pupil Impact Aid funds have been used to purchase educational technology resources and Teacher Salaries to enhance learning opportunities for disadvantaged students in grades K-2. These funds are used to improve academic achievement and have provided additional support to our disadvantaged student population.

2. Name and describe coordination with community partners.

Community Partner(s)

Board of Alcohol, Drug, and Mental Health Services.

Educational Service Center

County Board of Developmental Disabilities.

Community-Based Mental Treatment Provider.

Board of Health of City or General Health District County Department of Job and Family Services.

Nonprofit Organization with Experience Serving Children.

Public Hospital Agency.

For Disadvantaged Pupil Impact Aid, name at least one community partner. A list of community partners is available on the Student Wellness and Success Funds and Disadvantaged Pupil Impact Aid webpage. Include details about coordinating with the partner in connection with the use of funds. The Martins Ferry City School District collaborates with the East Central Ohio ESC. The ESC assists the district with procuring technology hardware, software, and services by leveraging collective purchasing power, negotiating contracts, and providing guidance on selecting appropriate

The mission of Martins Ferry City Schools is to develop critical thinkers and responsible citizens in a positive and safe learning environment.

vendors. Additionally, the ESC provides our Teachers with the professional development to provide the levels of support necessary for our students to succeed.

3. Describe the anticipated impact of the utilization of funds. Describe how the use of funds will impact students. Include how many students may be directly or indirectly impacted and how impact will be measured. Consider including goals or objectives of the services created or expanded with these funds. The Disadvantaged Pupil Impact Aid funds provide students in grades k-2 with the necessary delivery of instruction to close learning gaps. This will be measured via district level assessments and STAR data.
