READINESS

1. ACHIEVEMENT COMPONENT

MEETS STATE STANDARDS

Performance Index (75.1%)

Meets state standards through consistent academic performance across high school state End-of-Course (EOC) examinations and core content benchmarks.

Subject Proficiency

Demonstrates solid performance across foundational subject areas, maintaining consistent growth in English language arts, mathematics, and sciences.

2. GAP CLOSING COMPONENT

MEETS STATE STANDARDS

Subgroup Growth Goals

Achieves key state reduction targets in learning gaps for vulnerable student groups, foster youth, and economically disadvantaged students.

Targeted Interventions

Implements focused academic intervention strategies, tutoring, and attendance support programs to narrow educational disparities.

3. GRADUATION & 4. CCWMR PATHWAYS

MEETS STATE STANDARDS

Focus Area	Key Metric	Strategic Focus & Action Plan
4-Year Graduation	93.5% Cohort Rate	Proactive credit recovery, individualized graduation plans, and early warning systems.
5-Year Graduation	89.4% Cohort Rate	Extended pathway support ensuring non-traditional students complete diploma requirements.
Career Readiness	Vocational Pathways	Expanding CTE partnerships, industry-recognized credentialing, and hands-on skill training.
College & Military	AP & Dual Enrollment	Increasing College Credit Plus (CCP) participation, ACT prep, and military enlistment pathways.

COLLEGE, CAREER, WORKFORCE & MILITARY READINESS (CCWMR)

- **Industry Credentials & Certifications:** Expanding access to technical credentials that allow students to graduate directly into high-demand workforce roles.
- **Early College Credit Access:** Supporting dual enrollment through College Credit Plus (CCP) and Advanced Placement coursework to lower post-secondary costs.
- **Military & Workforce Partnerships:** Strengthening active recruitment relationships with armed forces branches and local Belmont County employer networks.

Commitment to Continuous Improvement

Martins Ferry High School remains focused on elevating student achievement, closing educational gaps, driving graduation rates, and ensuring every graduate is fully prepared for college, career, or military service.
