SENIOR APPRECIATION - Last night, Riverside hosted its bi-annual Senior Citizen Appreciation Night, featuring a free dinner prepared & served by our Principles of Foods class, followed by a screening of Riverside Theatre's Fall Play, *A Christmas Carol*. Nearly 200 seniors attended. Thank you for coming out! Encore performances of *A Christmas Carol* are tonight & tomorrow. Tickets can be purchased HERE.

CULTURE CREATORS - The Riverside Campus Culture Creators were busy visiting all second grade classrooms throughout the District this week to discuss kindness, empathy and the importance of including others. The Culture Creators, made up of 9th & 10th graders, will continue visiting the elementary schools periodically throughout the school year to build connections with the younger students.

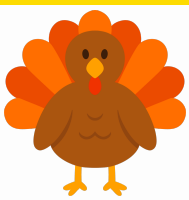

STICK TOGETHER PROJECT - Students in the RHS SIDE Leadership program are visiting all 5th graders throughout the District to help prepare them for their transition to 6th grade. As part of the Stick Together Project, these juniors & seniors are developing activities focused on teamwork, building connections and supporting one another.

FUTURE PLANNING SURVEY - As the Board of Education plans for the District's future, we're asking stakeholders to share their feedback. The survey will help the Board better understand how important various programs & services are to our community, particularly those that go beyond Ohio's minimum operating standards. If you haven't already completed the survey, please share your input HERE.
