FIRE SAFETY & PREVENTION - Thank you to the Concord Township and Painesville Township Fire Departments for visiting our elementary schools this month to talk to students and staff about fire safety and prevention. We appreciate our local firefighters for taking the time to share important safety tips, answer questions, and show the students all their equipment. Thank you for your community partnership!

COFFEE CREATIVITY - Melridge and Riverview Elementary Art students have teamed up with 1922 Coffee & Brew Company to bring their creativity to the community in a special way. Students are designing custom coffee cup sleeves to celebrate both Veterans Day and World Kindness Day. A big thank you to 1922 Coffee & Brew Company for partnering with our young artists and helping showcase their work.

LIGHTNING MCQUEEN HALLOWEEN DREAM - When an 8th grader recently shared with a staff member that they wanted to be Lightning McQueen for Halloween, Riverside Campus staff and students stepped up to make their wish come true! Mr. Blank and his students constructed a life-size Lightning McQueen car and SIDE Leadership students helped bring the design to life, turning the student's dream into a reality.
