

RIVERSIDE LOCAL SCHOOLS

WEEKLY WRAP-UP

Friday, September 18, 2026

www.riversidelocalschools.com

QUALITY PROFILE RELEASED - The Quality Profile is a more comprehensive, community-oriented companion piece to the state report card. Because the state report card focuses primarily on how well students perform on state mandated assessments, we feel it's important to showcase the entire educational experience a student may have while enrolled in the District. You can read the QP [HERE](#).

SIDEKICKS IS BACK! - This week, RHS students in SIDE Leadership visited all kindergarten classes in the District to start creating a bond with the Class of 2039. The high schoolers spent time socializing, interacting & participating in basic learning activities with the kindergarteners. SIDEKicks will occur once a month and is a great collaboration opportunity for our youngest and oldest students in the District.

BUSINESS ADVISORY COUNCIL - This week, we held our first Business Advisory Council meeting of the school year. The BAC provides a forum for local business partners and the District to work together to ensure that Riverside students have the knowledge, skills, habits, and leadership qualities necessary to be college and career ready. More information about BAC can be found [HERE](#).

NHS BOO FEST - OCTOBER 24 - Save the Date! The National Honor Society will once again host its annual Boo Fest - a family-friendly Halloween festival at Riverside High School on Saturday, October 24 from 4 - 7 PM. Come dressed in your favorite, appropriate costume, bring a bag for trick-or-treating and enjoy games, face painting and even stroll through a Haunted House!
