Hopefully, you have had a chance to visit our new website www.OhioSTS.org.

If you have not, take a moment today and check it out. We designed it to be an all-inclusive resource for you. Be sure to check back often, we will be adding more information to serve you better.

SCHOOL CLOSURES:

Despite the mild winter, inclement weather can happen at any time. As a reminder, for up-to-date information on school closings and delays, please log into your Absence Management account as postings are made as soon as we are notified.

It is your responsibility to monitor school cancellations due to inclement weather or other calamity circumstances. Absence Management will generally notify you by email and/or phone when a school district or building cancels due to a calamity day.

Alternatively, check your local news/radio station for closings or delays.

Just think...only 34 more days until Spring!
