

OHIO SCHOOL BASED HEALTH ALLIANCE

CURRENT PROJECTS

CENSUS

Visit the OSBHA website for the map of SBHCs in Ohio. The Census was last sent out to districts and healthcare providers in May of 2024.

TECHNICAL ASSISTANCE

OSBHA provides technical assistance for districts and healthcare partners at any point in the SBHC implementation process.

TOOLKIT

SBHC Toolkit is launching late September 2024. The toolkit will include three modules with information on planning for and implementing a SBHC.

REGIONAL COORDINATORS

RCs each cover a quadrant of Ohio. They are the "boots on the ground" for OSBHA and facilitate connection with districts and healthcare providers.
