

Student Wellness and Success Funding

The North Olmsted City Schools has utilized the Student Wellness and Success Funds received for the following reasons:

- *District Social Work personnel costs*
- *Various behavioral and trauma based trainings for related staff*

The district will continue to utilize the remaining funds for the following reasons:

- *District Social Work personnel costs*
- *Various behavioral and trauma based trainings for related staff*

The district developed their initial plan in conjunction with the Educational Service Center of Northeast Ohio and has engaged them in subsequent conversations to solicit feedback. This was discussed at the May 7, 2025 Board of Education Meeting.
