ATTENDANCE UPDATES:

SNA Staff will provide estimated attendance numbers ahead of the event for both the morning and midday sessions to help you plan your presence.

DAN MOSS IAC CHAIR

Attendees will not only enjoy the spectacular expo, but they will also take part in mandatory procurement training provided by the Ohio Department of Education and Workforce (ODEW). To accommodate the demand for this training, it is necessary to break them up into two sessions, which also provides an opportunity for the show floor to be open longer, with attendees coming through in two separate groups. Industry will be able to have more intentional conversations with customers, which will maximize leads and ROI. **There is not a requirement to show breakfast/lunch items during these times, this is simply a suggestion due to what attendees may be most interested in sampling at that time of the day.** Breakfast is also a huge focus for many districts across Ohio, so SNA is providing an opportunity to showcase breakfast items in the morning. Above all, proudly show the items, equipment, or services you have to offer! Your participation makes this event a success. Make sure to register your spot today. We look forward to seeing you there!
