The vision of the School Nutrition Association of Louisiana is to ensure that every student has access to nutritious meals at school, ensuring their optimal health and well-being. SNAL 2026 is designed for us to not only meet the goals set forth to achieve the vision, but to surpass them by solidifying our association as purposeful voice for transformation and connection in shaping child nutrition program policy and operations. Our SNAL 2026 Conference Planning Committee is extending a special invitation for you to join the members of the School Nutrition Association of Louisiana in **LETTING THE GOOD TIMES ROLL** because School Nutrition is evolving and finding joy necessary to be successful. Supervisors, Directors, Purchasing Agents, Managers and Technicians from across our great state will meet in New Orleans, **October 2-4, 2026**, at the Sheraton New Orleans Hotel. Our committee has been diligently planning education sessions, hands-on training and social events to make this exciting and memorable 71th Annual Conference.

SNAL would like to thank all our participants for their continued support that enables us to fulfill the mission and vision of our organization. We would not be able to offer training programs and services if it were not for committed exhibitors like you. If you have not exhibited with us before, we would like to extend an invitation to join us in New Orleans. An audience of dedicated child nutrition professionals will be in attendance to learn how your products and services can help create a safe, healthy and nutritious environment for the children of Louisiana. Through your support, we look forward to learning new ways to enhance our programs as we begin *Letting the Good Times Roll in School Nutrition* this 2026-2027 school year!
