

Play all day! - Sleep all night!

Do you love dogs? Little River is hiring.

Do you have what it takes?

Little River Pet Resort (Columbia Station, Ohio) is hiring. LRPR has offered safe, fun and healthy vacations for dogs since we opened in 2005.

Working with dogs might sounds like all fun and games. But, working at LRPR is much more that just playing with puppies. Providing loving care to our guests includes feeding, cleaning, bathing, and more. It is hard work! Do you have what it takes?

Best applicants will be available for 3-4 shifts per week including 1-2 on weekends.

Application and instructions available online at:
