

Guy Pietra

Guy Pietra is a Human Resources Consultant with 39 years of leadership experience in manufacturing operations and HR, including executive-level roles with Union Metal Corporation, Dover Chemical, and Howmet Aerospace. He brings multi-plant and international operations experience to his work with SSA. Guy holds a Master's in Management from Indiana Wesleyan University and a Bachelor's in Communications from Hiram College. In addition to his professional roles, he serves on the Board of Education for James A. Garfield Local Schools and the Executive Board for Employers Health.
