

APPROVED ON-SITE PARKING

On-site parking for event clients, points of contact, or otherwise approved person(s) is arranged and confirmed by the Event Manager during the event planning process. Reserved parking spaces are based on availability at the time of planning, and may be subject to change. If a change is necessary, a comparable space will be provided. Requests made for additional parking after the Event Report has been signed and the final invoice has been sent may not be accommodated. No more than three (3) parking spaces per event will be assigned, unless special circumstances are approved by the Event Manager.

DIRECTIONS

Please enter through the back gated entrance at the intersection of Main Street & 6th Street.

You can utilize the following address on Google Maps that will take you to the entrance gate:

1 E. 6th Street
Dayton, OH 45402

You will come to a large automatic gate. If a security guard is not present, please call DCC Security at **937-469-3083** or **937-535-5301** and inform them of:

1. Your Name
2. The Event Name
3. Reason for Entry - General arrival, Load-In, Exhibitor, etc.

Security will direct you to your designated load-in and/or parking space that is listed on the DCC Event Report.

A parking pass will be issued to you for display on your dashboard for the duration of the event.

Any staff associated with your event that have not been approved to park in the back lot must park off-premises in a parking garage or at a metered street parking space.
