

Alexandra Bailey

Alexandra Bailey serves as a Financial Analyst for the Shared Services Alliance, where she supports school districts with fiscal analysis, financial reporting, and compliance monitoring. She holds an Ohio Treasurer License and brings over three years of school finance experience and more than two years in human resources. Alexandra is recognized for her ability to work both independently and collaboratively, bringing analytical precision and a problem-solving mindset to her role. Her work contributes to long-term financial sustainability and process improvement across the districts she serves.
