Please join us on Thursday, September 25 from 8:30 a.m. to 10:00 a.m.

Job and Family Services and Monster Government Solutions contracted with StartSOLE to integrate the PortfoliOH™ work-based learning tracker into the OhioMeansJobs K-12 Student Profile. This initiative marks a significant step forward in supporting the Department of Education and Workforce's goal of equipping Ohio K-12 students with high-quality career exploration and planning experiences. The integration streamlines documentation of work-based learning and empowers students to take charge of their future by providing tangible evidence of their skills and achievements—preparing them for the job market.

Join Dr. Jeff McClellan to learn more and see how this platform is transforming career-connected learning across Ohio.
